

# AMERICAN PLAN FISHING PACKAGE

Seine River Lodge has a long history of serving delicious, homemade meals to fisherman & hunter (since the early 1930's actually). Originally, the camp was exclusively a train or fly in/ guided American Plan Fishing Lodge. We eventually became a drive in lodge, and continue to offer American Plan packages as well as Housekeeping cabin rentals and packages. We serve breakfast and dinner in our dining room, while box lunches (or fixings for shore lunches) are packed for the woods or water.

We hope you choose Branch's' Seine River Lodge as your base for your Canadian fishing adventure. Our great food & facilities are only the start – wait until you see our waters & fish!

## Package Includes:

- All meals – homemade - breakfast & dinner at the lodge & packed lunch. Dinner only served on checkin date and only served on check out day.
- Modern air conditioned cabin with all amenities including satellite tv, wireless internet, all linens, duvets on beds, and towels, Daily maid service
- **16' Lund Fury with casting decks, pedestal seats, live well, storage compartments, bow mounted trolling motor and 40 HP Yamaha electric start outboard** (includes gas, lifejackets, paddles)

## **SEINE CHAIN FISHERMAN'S PACKAGE (no meals)**

For some of the most spectacular fishing in Canada our all inclusive Fisherman's Package can't be beat.

We provide clean comfortable housekeeping cabins as your base with excellent equipment including 4 stroke 40HP Yamaha outboard, 16' Lund Fury boats with swivel seats, trolling motors and Fish / Depth Finders. Based on 2 people per boat unless there is an odd number of people in the group.

**We'll include an in boat / on the water system orientation of our 5 lake Seine Chain**, pointing out reefs, rocks, hot spots and other points of interest. We will also provide & review a system depth map marking the features outlined on the orientation.

For great walleye, northern and smallmouth fishing there's no reason to leave our home system, although portage lake boats and motor caches are also included for the adventurous angler wishing to try an off system day trip. Anglers also have the use of a boat trailer to access nearby lakes with launches if desired. Guests are provided directions to these remote lakes. If you require transportation to any of these lakes, there are rates for each of the lakes for that service.

Unlimited live bait, fuel (for the outboard motors) and ice top off the package leaving you to only worry about catching that lunger.

Seine Chain Package as above with a 16 ft Lund Fury, with casting decks, pedestal seats, live well, storage compartments, bow mounted trolling motor and **40 HP Yamaha electric start outboard**
